- ✓ Public Order Law Enforcement
- ✓ Custodial/Corrections
- ✓ Cell Extraction Teams
- ✓ K9 Units
- ✓ Search teams
- ✓ Emergency Response Units
- ✓ Riot Response Units and more...

Specifications:
Height: >600mm
Width: >450mm
Thickns: >300mm

Note: The insignia patches are supplied plain. EU can have them printed with individual specialised unit ID or agency details.

Each Option can be worn individually or as a combination!

Option 1:

Load bearing feature allows officers to carry appointments in the 7 x pouches (various sized) supplied. All BLACKBEAR Cordura products can be also attached to the Vest. *COST SAVING!*

Option 2:

Blunt Trauma feature located in the Front & Rear of the C-8074 vest are sections designed to carry Blunt Trauma Padded Inserts.

Option 3:

Cut/Puncture Resistance feature located in the Front & Rear of the C-8074 Vest are sections designed to carry high grade Polycarbonate LEXAN GP 2.0 Inserts.

Option 4:

Modular feature allows officers to attach & carry any other 'specialised' cases and pouches in the BLACKBEAR range to the C-8074 Vest.

Option 5:

Riot feature offers officers the maximum use of the 5 in 1 C-8074 Vests. With the added feature clipped on it offers protection to the Neck, Throat, back of neck & Top & rear Upper torso, shoulders, groin and upper arms.

Note: This Vest without the correct plates is not for ballistic use. Prior to using the C-8074 vest, ensure that all features (pouches, straps & inserts) have been checked and working accordingly. The manufacturer does not recommend any modification to the original C-8074 Vest.
