

# High Risk Custodial Escort Belt

## E-CEB2

### FRONT SECURING ESCORT BELT.

*Manufactured from High grade treated-leather.*

**This High Security Escort Belt consists of embedded & pressed handcuff loops positioned at the front of the belt which allow department/agencies to fit their own preferred model of handcuff through the front mounted loop.**

*One size fits all waists (male/female/juvenile) – (8 size position points)*

Can be worn over garments and can be combined for use with other restraint devices.

Inner padded lining minimises any rubbing or tearing to the wearer for long periods of time.
