TRANSPORT BELTS

With D-Ring

Eliminate injuries caused by handcuffing behind the back by using these convenient transport belts. Our transport belts are available in heavy-duty leather, compact nylon, or easy care polyurethane. The steel made-to-specs D-ring available on all models is designed to fit virtually all models of handcuffs, including hinged. Half cuff available on the belts is a Smith and Wesson 100 model for safer application and removal. Products will fit juvenile to adult populations. Belts maintain wrists to torso for safer transport.
