

Tri Fold Plastic Restraint & Scarab Cutter & Trifold Carrier (OEM)

Z-TFC

Tri-Fold Plastic Restraints are compact, easily carried and rapidly applied.

Tri-fold restraints are specifically **designed to law enforcement standards**, their wide, straps have **no sharp edges**.

Tri-Fold disposable restraints open to oversize loops of incredible strength.

The roller lock- ratchet has an extremely smooth **ring pull** with a covered locking mechanism.

These are the most tactically sophisticated, compacted, easily carried, and rapidly applied **disposable restraints** on the market.

*Z-TFC are the only SGS Tested sanctioned product in the market place.

Z-TFHC

Tri-Fold Restraint Carrier attached to both standard size belt and Duty belt widths.

Carry's two standard (2) pieces

*Z-TFHC are SGS Tested Quality Assured & Approved sanctioned.

Z-SC

Tri-Fold Plastic Restraints Scarab Cutter is compact, easily carried and rapidly applied.

*Z-SC are SGS Tested Quality Assured & Approved sanctioned.
